to whom it concerns

concerning:

BERALDIN, Clio

female

date of birth: 19-12-1985

place: Saint Vallier - France

nationality: French

study at Hogeschool van Amsterdam / HES: 2007 - 2011

graduation date: 31-8-2011; student no: 519722

L.S.,

This is to state that Ms. Beraldin (Clio) has been a full-time registered student at the Hogeschool van Amsterdam / HES – University of Applied Science, during the academic period of 2007-2011.

She participated, as a regular student in a 4-year BA programme “International Business and Management Studies” (IBMS), which is taught entirely in English.

She graduated - as Bachelor of Arts – in August 2011..

In my capacity as her lecturer in International Marketing & Management, I have observed her progress and I would say that her overall performance was remarkably well. She has a dedicated and positive attitude towards her work and showed to be a good team player and a capable team leader as well. In my opinion she has the potential to become a skilled business manager, and it was a great pleasure to work with her.

I have no hesitation in recommending her and wish her all the best in the future. I shall be happy to oblige, should you require any further information.

Yours truly,

Lucas Wams

Senior Lecturer International Marketing & Export Management.

Independent Entrepreneur: Wams/Strategie in B2B.
