RECOMMENDATION FOR CLIO BERALDIN

L.S.,

I would like to take an opportunity to offer a formal recommendation for Clio Beraldin.

I was the teacher of Clio in her exchange year program at the HEs International Business and Marketing studies in 2007-2008 for Dutch as a foreign language.

I have known Clio for one year and feel that she is a deserving candidate for your business school program.

Clio has left me a deep impression for her zeal and earnest in the Dutch language. I'm very glad to write this letter of recommendation for her because as a teacher I know very well her attitude in class.

She followed the Dutch course demonstrating a strong dedication to get the knowledge of the Dutch language. I find her enthusiasm and dedication both inspiring and motivating.

I believe Clio exhibits many of the qualities that are also essential to business students. An education at your esteemed business school will help her hone these qualities, while enhancing her career opportunities. I highly recommend Clio for your program and hope that you will carefully consider admission application.

Yours sincerely,

Drs. J.Krijnen
